Award of contract for £1.65m by a leading client

On 6 September the Directors of Mountfield Group Plc ("Group") announced that a leading UK telecoms provider and long standing client of the Company had awarded it contracts of a value of £750,000 to undertake the upgrading of services with associated architectural works at three of its sites in the South of England and that it was in discussion with the client with regard to similar schemes at other sites.

The Directors of Group are delighted to announce that the client has now awarded the Company a further such contract but that this one with a value of £1.65m and the works are to be undertaken in the West Midlands area.

Work under the contract will begin immediately and is due to be completed by 31 March 2018.

Graham Read, MBG's MD said:

"Winning another of these contracts from the client so quickly after being awarded the first batch is great news for us. I said on 6 September that we are in discussion with the client regarding similar schemes and this remains the case."
